

Nucleus client relations, PO BOX 26968, Glasgow G2 9DY.

This document is presented as a draft for the consideration of the Settlor's legal advisers. Every effort has been taken in the preparation of the document to ensure that it is capable of achieving the objectives stated above and explained in more detail in the guides referred to earlier. However, as the circumstances of each individual are different, Nucleus cannot guarantee that the objectives of any particular Settlor will be achieved using this draft. Accordingly, Nucleus can accept no responsibility for any loss occasioned from the use of this draft trust.

Important Notes on using the Nucleus Discretionary Loan Trust

- This draft Discretionary Loan Trust deed and draft Loan Agreement are suitable for use only when Nucleus investor wishes to establish a trust by making a loan to the Trustees with the intention that those Trustees then make an investment in the Nucleus Wrap. The Trustees will hold the investments for the benefit of any one or more Beneficiaries excluding the Settlor (the person declaring the trust). The Settlor (as lender) and the Trustees also execute a Loan Agreement (a draft of which is also provided) under which the Settlor can request repayment of their loan at any time.
- The Discretionary Loan Trust is a settlement and so has important legal and tax consequences. For a full explanation of the features, benefits and the legal and tax implications of this trust, investors should refer to The Client Guide to the Nucleus Discretionary Loan Trust. A more comprehensive guide for advisers can be found in The Adviser Guide to the Nucleus Discretionary Loan Trust.
- The main purpose of the Discretionary Loan Trust arrangement is to allow the Settlor access to the amount of the initial investment at any time whilst allowing for the growth on the investment to accumulate outside of the Settlor's estate, and therefore not be subject to inheritance tax (IHT) as part of the Settlor's estate.
- There is an option to include the spouse or registered civil partner
 of the Settlor among the Beneficiaries this should only be done
 after taking advice as, while it will have no adverse inheritance tax
 consequences, it can have income tax implications. It is therefore
 important to note that if the Settlor wishes to include their spouse or
 registered civil partner as a Beneficiary, positive action needs to be
 taken by the Settlor at outset by initialling the appropriate box.

- The trust is only appropriate for an individual settlor i.e. not for joint settlors
- If, having obtained legal advice, the investor wishes to execute the draft as a deed, the Settlor and the Trustees should follow the instruction in the completion guide at the end of the document.
- A copy of the executed deed must be sent to Nucleus for registration by the financial adviser who has access to the Nucleus online system.

Nucleus Discretionary Loan Trust Completion Guide

If, after seeking legal advice, the Nucleus Discretionary Loan Trust is to be completed unamended the following parts of the document need to be completed as follows.

Personal Details

- The date the deed is executed must be inserted. If the parties sign the deed on different days, this should be the date of the last signature.
- The names and addresses of the Settlor and the additional trustees who will act with the Settlor as Original Trustees must be inserted. A maximum of 4 Original Trustees (including the Settlor) should be inserted.

Part 1: Declaration

In paragraph C. Name of the Trust: the name of the Trust should be
inserted, e.g. 'The 2019 Allan Jones Discretionary Loan Trust'. This
will help to distinguish it from any other trusts the Settlor may have
created, which will help when corresponding with HM Revenue &
Customs. It is also the name which will be used to refer to the Trust
in the Nucleus Wrap and that will feature on all correspondence
relating to the investment account from Nucleus.

Part 2: Definitions

In definition (v) "Discretionary Beneficiaries" the Settlor should initial the box next to paragraph (h) if he/she wishes his or her spouse or registered civil partner to be included as a Beneficiary. If this box is not initialled at outset, the spouse or registered civil partner will not be able to benefit from the trust during the lifetime of the Settlor.

In paragraph (i) the Settlor should insert the name(s) or class of any other beneficiary(ies) they wish to include and not already covered under categories (a) – (h).

In definition (vi) "Default Beneficiaries" the names of the beneficiary or beneficiaries who will benefit in default of other appointment (for example, if there is any capital left in the trust at the end of the Trust Period which has not by that time been distributed to one or more of the Discretionary Beneficiaries) should be inserted. If there is to be more than one such beneficiary then the percentage shares in which they should benefit should be inserted. Please ensure that the shares add up to 100%. At least one name must always be included in this Part.

Part 7: Proper Law

If the Settlor is domiciled in Scotland he/ she should initial the box if they want the law of Scotland to apply to the Trust. If the Settlor is domiciled in England, Wales or Northern Ireland he or she should leave the box blank.

If the box is not initialled, the law of England will apply.

The Schedule

In the Schedule the amount of the proposed loan should be inserted. This will be completed when the Loan Agreement is signed.

Part 8: Signatures

The Settlor and the Original Trustees should sign the document and each signature should be witnessed. It is sufficient for the Settlor to sign once. In Scotland, the location and date of each signature must also be stated
