Please complete all sections in BLOCK CAPITALS using black ink.

For the purposes of this form the "Company" means Sanlam Life & Pensions UK Limited, provider of the Nucleus Onshore Bond.

The Company's underwriters when estimating the value of discount will place reliance on your answers to the following questions together with any further details provided in helping them calculate the estimated value.

For the underwriting, an initial consultation fee of £150 is charged which covers the time spent in underwriting and establishing the level of discount available (joint donors each pay a fee of £150). A separate cheque for this fee must be supplied at the time of the application, and should be made payable to Sanlam Financial Services UK Limited. This fee is non-refundable if the application for a discount is declined.

If prior to our formally notifying you of the discounted value of the gift you are making for Inheritance Tax purposes, the answers you have provided us with in relation to your health or pastimes would be different from those given or you change your occupation, you must immediately notify us of such change.

By completing and submitting this form you acknowledge you have received and read the Sanlam Privacy Statement and confirm you consent to Sanlam Investments and Pensions using your special personal data as follows:

I consent to Sanlam Investments and Pensions using my sensitive or 'special' personal data (being health and medical information and, if applicable, information regarding any criminal offences or proceedings) that I have provided in this form for the purposes of estimating the discounted value of the gift into trust and administering my policy accordingly, in accordance with its legal, regulatory and contractual obligations.

I consent to Sanlam Investments and Pensions requesting and obtaining any information from any life assurance company about my medical history and current state of health, for the purposes of estimating the discounted value of the gift into trust and to administer my policy accordingly, in accordance with its legal, regulatory and contractual obligations. I authorise any life assurance company to give any information they hold about my medical history and current state of health to Sanlam Investments and Pensions.

8. Access to Medical Reports Act 1988

Prior to estimating the discount we may need to obtain information about your state of health. Such a request may be made by us or by our agents for underwriting purposes. Accordingly wherever we refer to 'we' or 'Sanlam Life & Pensions UK Limited' in this section this includes our underwriting agents.

We may need to apply for a medical report from each of the doctors named in this medical questionnaire as having been your own doctor, or as having treated you for any reason. We may also apply to any other doctor who is named in any of these reports as having treated you.

You have the right to refuse to consent to our applying for any or all of these reports, though if you do we may be unable to provide an estimate of the discount.

You also have the right to notify us if you wish to see any report before it is sent to us. You will have 21 days in which to see it if you want to do so. You may also have access to a report by notifying the doctor preparing it. If he has not already sent the report to us you will then have 21 days in which to see it.

If you exercise your right to see a report before it is sent to us you may then instruct the doctor to withhold that report from us. You may also ask him to amend it if you disagree with its contents.

A doctor may decline to let you see all or part of a report to which you have requested access if he considers that this would be inappropriate. In these circumstances you would be asked for your consent before he can release it to us.
